REFLECTION

"From the industry talk, I believe PETRONAS Digital is an excellent choice for fresh graduates to start their careers. Joining the company offers graduates numerous benefits and opportunities for growth. Also, to become a good engineer or scientist, you need to develop and refine a wide range of skills"

ADAM SYAHMI BIN ABDULLAH
A24CS0219
@syhmi18

"I have gained a deeper understanding of the opportunities and expectations in the digital and IT fields particularly through the PETRONAS Digital Young Graduate Programme (YGP). This program stands out as a special opportunity for fresh graduates to gain essential technical and interpersonal skills"

PRAVEIN A/L LETCHUMANAN
A24CS0179
@Pravein2286

"I think the employees in PETRONAS dare to give an idea and speak in front of people to make the company more innovative, open-minded and competitive. The company also more supportive and give motivation to their employees to make the good environment in the company and resulting their current success"

MUHAMMAD AMIRUL AIMAN BIN ABDULLAH
A24CS0124
@aimanrakang

"From this industry talk, I gained a clearer understanding of the skills I need to develop for my future career. It also helped clear up any doubts I had about what it's like to work in an IT company, giving me a better idea of the roles and challenges involved in the field"

MUHAMMAD AFIQ IRFAN BIN ZURAIMI
A24CS0122
@Af1q1r1fan04

"From this talk I learned the importance of adapting to advancements in technology, particularly in the AI and digital fields. It make me realise that we need to make a change for ourself to adapt the change of technology"

MUHAMMAD HAZIM BIN ZULKANAIN
A24CS0136
@hazim101205
